Thank you for choosing Healing Tree Wellness Center for your hair analysis!

Hair Analysis is a method to assess the energetic imbalances within your body. This analysis is based on Chinese Medicine and Applied Kinesiology and is a noninvasive way to access information about the body.

Please follow the instructions below and mail your hair sample along with the client intake form included. We look forward to working with you!

Only a very small amount of hair is needed (for example: if hair is long approximately 5-10, ½ inch length strands of hair. For short hair, just a very small snip at the ends is fine.) Note: It does not matter what part of the body the hair comes from, and the analysis is not affected by chemicals or color in the hair.

Cut the hair and enclose it in the envelope provided. Write your name and contact phone number on the outside of the sample envelope. Then, place the envelope inside of a second (mailing) envelope.

Also enclosed is a client intake form. Please complete this form and return it as well.

Remember to include your payment of \$155 (\$150 for the analysis, \$5 shipping for your formula) **and your intake form if this is a new analysis.** We accept Discover, MasterCard, Visa, Check and Money Order.

Mail the sample, intake form and payment to the following address:
